Introduction to Criminology Cliff Roberson

Finally--a criminology text written in a comprehensive, yet straightforward manner that will enable your students to more fully comprehend this complex subject. Discussion of both the ideological explanations and scientific methodologies relevant to criminology provide the reader with a complete understanding of this field. Current issues along with historical foundations, are explored to give the reader the basis to understand not only the genesis of criminology but also the current scenario -- and, perhaps, to glimpse the future.
