## **Reflections on the Supreme Court of Ghana (JCL Series in Comparative Law) S. Kofi Date-Bah**

The book is intended to be a contribution to comparative knowledge on what a final and constitutional court's role and significance are to governance in a developing country. It provides a recently retired judge's insights into the substantive work and function of the Supreme Court in Ghanaian society and Ghana's legal and political system. The book throws light on the role played by the Supreme Court in the development of Ghanaian law and the laying of the foundation for Ghana's constitutional democracy. The establishment of a constitutional democracy in Ghana has been an important factor in the nation's development and the Supreme Court has had an important role to play in this process. It will also be invaluable to both academic and practising lawyers, as well as at non-lawyers interested in the function and operations of the Supreme Court. The study of the Supreme Courts of emerging democracies should be given some emphasis in comparative law. It is hoped that the material contained in this book will contribute to the facilitation of such emphasis.
