Explore and enjoy the whimsical world of children's fantasies!

No mandalas. No overly-intricate patterns. No boring symmetrical and mirrored images of animals' heads. Instead, you'll find beautiful drawings of magical scenes filled with lovable characters and curious creatures!

From the tallest castle to the deep sea, from hot desert canyons to cool tropical bayou, from tranquil lake to a sparkling city, there are a lot of magical places to see! Also, discover the most lovable characters and creatures along the way – a fishing bear, a flying whale and turtle, a boy and his pet dragon, a gypsy princess with her dancing dog – just to name a few.

Inspired by children's fantasies and drawn in classic children's book illustration style, this coloring book gives you a bundle of super fun pages dedicated to your coloring enjoyment!

Important note:

This book is printed on regular white paper stock by CreateSpace, so it's not recommended to color the pages using watercolor or any other water-based coloring tools. Each illustration is printed on a single page (leaving the other page blank) to minimize "bleed-through".
