## **Conejo Valley (Images of America)** Jeffrey Wayne Maulhardt

The amorphous Conejo Valley today encompasses the southeastern portion of Ventura County in and around Thousand Oaks, including Newbury Park and Lake Sherwood, near where the I-101 exits Los Angeles County at Westlake Village on its way west and north. Human history in the Conejo Valley dates back to the hunting and gathering days of the Chumash Native Americans. The short Spanish and Mexican periods added a few adobe buildings, erected for respites taken by vaqueros and later cattle rustlers on these rolling grasslands north of the coastal Santa Monica Mountains. In the 19th century, a grand hotel was constructed, and a stage route was established. Grain farmers tried to tame the thirsty hills of the Conejo Valley before the arrival of scenic neighborhoods and malls after World War II.

#### **Vanessa Kistler:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Conejo Valley (Images of America) can make you truly feel more interested to read.
