## **Por la geografía de El Hierro (Tierra Negra) (Spanish Edition)** Leoncio Afonso Pérez

Leoncio Afonso observa El Hierro con ojos de geógrafo, pero también con la mirada de un viajero curioso e incansable. Recorre la Isla con un propósito descriptivo, pero no puede ni quiere dejar de admirar la belleza (a veces severa y otras melancólicas) de sus paisajes. En este breve texto del profesor Afonso Pérez el lector puede acceder a una visión sintética de la geografía física de El Hierro, en un lenguaje sencillo y casi insensiblemente didáctico. Pero también encontrará algo más inusual en Canarias, como es el terso ensayo de un estudioso que supo acercar los estudios de geografía a tres generaciones de jóvenes isleños.
