You don't have to face cancer alone

Traumatized and terrified of cancer? Perhaps you have been diagnosed yourself, or you have a friend or family member who is battling with the disease. You know you must face it—but you do not have to face it alone. *Praying Through Cancer* is a collection of stories by women who have faced cancer and, with triumphant spirits, found comfort and sometimes even joy in the midst of it.

For these women, cancer was a comma, not a period, in the sentences of their lives. Why? Because they put their faith in the Lord and He strengthened them beyond comprehension. You will laugh and you will cry, but best of all, you will know . . . you are not alone.
