The Cult of Mac

Leander Kahney

The Cult of Mac Leander Kahney

There is no product on the planet that enjoys the devotion of a Macintosh computer. Apple's machines have legions of loyal, sometimes demented fans. *The Cult of Mac* surveys the devoted following that has grown up around Macintosh computers. Like fans of a football team or a rock group, Macintosh fanatics have their own subculture, with clearly defined obsessions, rites, and passages. Famously dedicated to their computers, many Mac fans eat, sleep, and breathe the Macintosh. Fans who get Mac tattoos and haircuts, people who attend Apple Store openings like they are Grateful Dead shows, counterculture icons who love the Mac, people who turn old Macs into aquariums (or bongos), Ellen Fein lookalike contests, erotic fiction featuring Steve Jobs; it's all here. Technology reporter Leander Kahney exposes all sides of Mac fanaticism, from the innocuous to the insane.

From reader reviews:

Nancy Adams:

Nowadays reading books become more than want or need but also become a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want send more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining for instance comic or novel. The The Cult of Mac is kind of e-book which is giving the reader capricious experience.

Jacqueline Gore:

Reading a publication can be one of a lot of exercise that everyone in the world adores. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new info. When you read a book you will get new information mainly because book is one of several ways to share the information or their idea. Second, examining a book will make an individual more imaginative. When you reading a book especially tale fantasy book the author will bring someone to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to other people. When you read this The Cult of Mac, you may tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire different ones, make them reading a book.

Sophia Morrison:

Spent a free the perfect time to be fun activity to accomplish! A lot of people spent their spare time with their family, or their friends. Usually they doing activity like watching television, about to beach, or picnic in the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could be reading a book is usually option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to try out look for book, may be the reserve untitled The Cult of Mac can be fine book to read. May be it might be best activity to you.

Deanna Jackson:

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Cult of Mac, you may enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.
