The Ragged Edge: The Disability Experience from The Pages of The Disability Rag

Essay Anthology. What this book attempts to capture and convey is simply the experience of being a person with a disability in America today. From the introduction: It is hard to unravel the tangled, knotted ball of the disability experience - isolation and differentness versus a common identity; images of weakness, vulnerability, enforced childishness... This book attempts to weave a rough but strong cloth from these gnarled strands, to give the feel of the disability experience.
