## **Wake Up, Stupid** Mark Harris

Originally written in 1959, this is the hilariously explosive account of Youngdahl, a novelist, playwright, ex-Mormon, and father of seven. He is a frenzied man who is beginning a letter-writing campaign to escape his curiously ironic situation, and, of course, his profession. Along with Abner Klang, his not-so-literary agent who seems to have misplaced the F key on his typewriter, Youngdahl joins forces with a Mormon bishop, a TV adapter, and a prizefighter, among others, to spearhead a comic revolution.
