## **ABC of Anarchism** Alexander Berkman

Originally published in 1929, this early work by Alexander Berkman is both expensive and hard to find in its first edition. It is designed as an introduction to Communist Anarchism and outlines the main philosophical principles of the concept. This is a fascinating work and is thoroughly recommended for anyone with an interest in Russian history and political philosophy. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
