Hard Times Charles Dickens

One of Dickens' most controversial novels, *Hard Times* tells the story of Thomas Gradgrind, headmaster to the child mill hands of Coketown, a downtrodden industrial centre. He attempts to stamp out whimsy and fancy in his young charges, insisting they face their reality – a life of hard, dangerous work and a complete lack of social mobility. Throughout the novel, however, Gradgrind encounters situations that slowly erode his certainty about the morality of his position. Like much of Dickens' work, *Hard Times* draws attention to the social and economic ills of England during Dickens' life time.
