London Unfolds Stephan Van Dam

VanDam's patented London Pop-Up maps all top attractions, including hotels, churches, museums, parks, transit systems, and more - all at an immensely legible super-scale complete with 3D building illustrations. Each map unfolds to 12 times times its original size, then refolds automatically when the covers are closed. Eminently clear information design allows users to read the map from three feet away and has earned VanDam Maps a place in the MoMA Collection.

The London Pop-Up includes details of Inner London from The City to SoHo to Hyde Park, as well as the London metro area. Edition also includes special details of Hampstead Heath and Regent's Park, and a London Tube map.

Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28s or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Size open: 8.5" x 11" per section; 3.75" x 6" closed to snugly fit into a shirt pocket or purse. Gain instant London StreetSmarts and a sexy souvenir to boot!
