The Divine Boaz Lavie

Mark's out of the military, these days, with his boring, safe civilian job doing explosives consulting. But you never really get away from war. So it feels inevitable when his old army buddy Jason comes calling, with a lucrative military contract for a mining job in an obscure South-East Asian country called Quanlom. They'll have to operate under the radar-Quanlom is being torn apart by civil war, and the US military isn't strictly supposed to be there.

With no career prospects and a baby on the way, Mark finds himself making the worst mistake of his life and signing on with Jason. What awaits him in Quanlom is going to change everything.

What awaits him in Quanlom is weirdness of the highest order: a civil war led by ten-year-old twins wielding something that looks a lot like magic, leading an army of warriors who look a lot like gods.

What awaits him in Quanlom is an actual goddamn dragon.

From world-renowned artists Asaf and Tomer Hanuka (twins, whose magic powers are strictly confined to pen and paper) and Boaz Lavie, *The Divine* is a fast-paced, brutal, and breathlessly beautiful portrait of a world where ancient powers vie with modern warfare and nobody escapes unscathed.

From reader reviews:

Alicia Wescott:

Inside other case, little folks like to read book The Divine. You can choose the best book if you like reading a book. So long as we know about how is important a book The Divine. You can add understanding and of course you can around the world by just a book. Absolutely right, since from book you can understand everything! From your country right up until foreign or abroad you will be known. About simple matter until wonderful thing it is possible to know that. In this era, you can open a book or even searching by internet unit. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's study.

Frederick Palazzo:

What do you ponder on book? It is just for students because they're still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has several personality and hobby for each and every other. Don't to be obligated someone or something that they don't want do that. You must know how great along with important the book The Divine. All type of book is it possible to see on many sources. You can look for the internet methods or other social media.

William Matthews:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even a concern. What people must be consider when those information which is within the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take The Divine as your daily resource information.

Kenneth Armstrong:

Exactly why? Because this The Divine is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will surprise you with the secret this inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your expertise and your critical thinking technique. So , still want to hesitate having that book? If I have been you I will go to the publication store hurriedly.
