Wait Until Tomorrow: A Daughter's Memoir Pat MacEnulty

Like all mothers, mine had a set of maxims that she thought were important to impart to me: if you can't say anything nice, then don't say anything at all (unless it's irresistibly funny); it's as easy to fall in love with a rich man as it is with a poor man (a nice idea in theory); if you want to commit suicide, wait until tomorrow (advice which has, it turns out, saved my life).

Like many daughters of elderly parents, Pat MacEnulty finds herself in a maze of healthcare negotiations and discoveries when her mother can no longer care for herself. Pat's mother, who stood by her through her darkest years as a drug addict, was a small-town icon as a composer, pianist, organist, and musical director. She is suddenly unable to be the accomplished, independent person she once was. Now Pat has two goals: to help her daughter avoid the mistakes that derailed her own life, and to see her mother's masterpiece, "An American Requiem," find a new life and a new audience in her mother's lifetime. Along the way, Pat rediscovers her own strength, humor, and rebelliousness at the most unlikely moments.

Pat MacEnulty is the author of four novels, including *Sweet Fire*, and a collection of short stories. She is also a teacher, workshop leader, writing coach, and freelance editor. She lives in Charlotte, North Carolina.
