Anna is a princess of Arendelle. Locked away from the outside world for years, Anna is desperate to leave her lonely life behind. Her parents are gone, and her sister, Elsa—the only person who might show her an ounce of love—is cold and distant. Hans is a prince of the Southern Isles. As thirteenth in line to the throne, Hans is desperate to escape the tyranny of his father and older brothers and find a kingdom of his own to rule. Their worlds collide at Elsa's coronation. At first, it seems as if all Anna's dreams have come true. At last she has found someone to love. But as Hans's true motivations come to light, their fairy-tale romance begins to melt away and Anna discovers that love is a more mysterious—and powerful—force than she ever could have imagined.
