Countdown City: The Last Policeman Book II (Last Policeman Trilogy 2) Ben H. Winters
"[The] weird, beautiful, unapologetically apocalyptic Last Policeman trilogy is one of my favorite mystery series."—John Green, author of *The Fault in Our Stars* and *Paper Towns*

Winner of the 2014 Philip K. Dick Award

***The Last Policeman* received the 2013 Edgar Award for Best Paperback Original--along with plenty of glowing reviews.**

Now Detective Hank Palace returns in *Countdown City*, the second volume of the *Last Policeman* trilogy. There are just 77 days before a deadly asteroid collides with Earth, and Detective Palace is out of a job. With the Concord police force operating under the auspices of the U.S. Justice Department, Hank's days of solving crimes are over...until a woman from his past begs for help finding her missing husband.

Brett Cavatone disappeared without a trace—an easy feat in a world with no phones, no cars, and no way to tell whether someone's gone “bucket list” or just *gone*. With society falling to shambles, Hank pieces together what few clues he can, on a search that leads him from a college-campus-turned-anarchist-encampment to a crumbling coastal landscape where anti-immigrant militia fend off “impact zone” refugees.

Countdown City presents another fascinating mystery set on brink of an apocalypse--and once again, Hank Palace confronts questions way beyond "whodunit." *What do we as human beings owe to one another? And what does it mean to be civilized when civilization is collapsing all around you?*
