Family Therapy Review: Preparing for Comprehensive and Licensing Examinations

Family Therapy Review: Preparing for Comprehensive and Licensing Examinations

This book offers a clear, readable overview of *all* the knowledge and skills those training as marriage and family therapists and counselors need to pass final degree program, certification or licensing examinations.

It is organized into three sections: *Basic Clinical Knowledge and Skills*, *Common Client Problems*, and *Career Issues*. Each chapter includes challenging study questions that enable readers to assess their own level of understanding--15 true/false questions at the outset checking on baseline knowledge, 30 multiple-choice questions interspersed through the text underlining crucial points, and 10 provocative discussion questions at the end facilitating synthesis. Each chapter also provides a glossary of key terms and, in addition to references, annotated suggestions for further reading and Web site exploration.

Students and trainees will find *Family Therapy Review: Preparing for Comprehensive and Licensing Examinations* a resource to which they will go on referring long after it has helped them through their examinations; faculty and established professionals will find it a useful one-stop summary of current thinking about best practice.
