Female Victims of Crime: Reality Reconsidered Venessa Garcia, Janice Clifford

Taking a sociological approach, this reader addresses the diverse array of crimes against women and offers a compilation of research on this often minimized topic. Rich in conceptualization and theory, these readings tackle topics from the victim's perspective and include media images, legal analysis, and official statistics. Material is presented within historical, legal, and social contexts so readers get a comprehensive understanding of female victimization. Throughout the collection, the causes of female victimization are examined, the responses from the criminal justice system are considered and the consequences for society are revealed.
