How the EU Really Works

Ms Nathalie Brack, Professor Olivier Costa

How the EU Really Works Ms Nathalie Brack, Professor Olivier Costa

This book provides a concise analysis of the EU and its dynamics by paying particular attention to its day to day operation. It proposes to help students and scholars understand its evolution, its institutions, its decision-making and the interactions between the EU and various actors. Avoiding abstract theorizing, the authors propose an easy to read analysis of how the Union works while recognizing the complexity of the situation. Throughout the book, the key issues of European integration are addressed: democratic deficit, politicization, the role of member states, institutional crisis and citizen involvement.
