Following this is a SWOT analysis outlining the internal capabilities and the external options of Saga Holidays. Based on primary research with 50 respondents and secondary sources the segmentation of the target customers has identified 3 groups who the loyalty scheme should be targeted at.

The Saga One loyalty card rewards the customer with what they want. Saga One is a customer focused loyalty scheme offering exclusivity, experiences and most importantly simplicity. The strategy suggested is over a 12-month period and in total has 6 objectives that it will seek to achieve by applying the DRIP framework and pull strategies. Based on the strategic analysis the communications mix uses a combination of above and below the line methods. The scheme will be communicated using Sagas well-established channels and advertising, the report presents pre tested concepts in Appendix P.

The Saga One loyalty scheme has three key themes of Exclusivity, Experience and Simplicity, these fit into the 'Wow' trend of loyalty. The key segments are targeted using a combination of Internet, Advertising and Public Relations to provide the most effective coverage within the budget set.

Finally the report provides a full budget and Gantt chart for the 12 months of communicating the loyalty scheme. In order to use the time effectively, the majority of activities are 'dip' related in order to keep customers aware of the loyalty scheme and what it represents.
