### 17. Control your drinks.

Drinking a bottle or two of your favorite beer while you are dating is not a sin. However, you should limit the number of bottles you consume, since you might end up losing control of yourself when you have too much to drink. Thus, if you tend to over drink, then you should avoid it by all means, since you might lose your chances of starting a relationship with your date.

### 18. Out of your league.

There is always a tendency to bring down yourself, when you think that your date is simply out of your league. This way of thinking about your self worth should not be encouraged, since if you tend to believe that you are not good enough for a certain individual, then you may end up with someone who is also not good enough, or simply another person who thinks the same way as you do. Thus, it is time to become more confident, so that you can find the person that you really are looking for.
