Astream: American Writers on Fly Fishing

This marvelous collection features stories from some of America's finest and most respected writers about one of the world's most solitary and satisfying sports: fly fishing. For the first time, the stories of thirty-one acclaimed writers including Guy de la Valdène, Jim Harrison, Michael Keaton, Sydney Lea, Ted Leeson, Nick Lyons, Thomas McGuane, Joseph Monninger, Le Anne Schreiber, and many others come together in one collection.

Flyfishers and nonflyfishers alike will recognize in these poignant tales the universal aspects of the appreciation of nature, the necessity of conservation, and the joy and knowledge that come from time spent on freshwater and saltwater. This is a delightful, handsome volume that captures the allure and spirit of fly fishing and those who love it.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
