**Little Book of Strategic Peacebuilding: A Vision And Framework For Peace With Justice (Little Books of Justice & Peacebuilding)** Lisa Schirch

So we'd all like a more peaceful world—no wars, no poverty, no more racism, no community disputes, no office tensions, no marital skirmishes. Lisa Schirch sets forth paths to such realities. In fact, she points a way to more than the absence of conflict. She foresees justpeace—a sustainable state of affairs because it is a peace which insists on justice. Schirch singles out four critical actions that must be undertaken if peace is to take root at any level) — 1.) waging conflict nonviolently; 2.) reducing direct violence; 3.) transforming relationships; and 4.) building capacity. From Schirch's 15 years of experience as a peacebuilding consultant in Africa, Asia, and Latin America. A title in The Little Books of Justice and Peacebuilding Series.
