Pegaso (Italian Edition) Stefano Greco

Una passeggiata dall'alba al tramonto è l'occasione per il protagonista di mettere in dubbio il suo tormentato amore per una ragazza che considera unica, la quale si è dovuta trasferire all'estero segnando tacitamente la fine della loro relazione.

Nelle vesti di narratore della vicenda questi incontrerà lungo la strada personaggi che inconsapevolmente influiranno sulla sua crescita come uomo. Il succedersi di dialoghi e monologhi interiori nel corso della giornata offriranno al ragazzo l'occasione per fare un'analisi franca del proprio stile di vita, raccontando le inquietudini, le aspettative e l'incertezza della nuova generazione, della quale è ambasciatore. Il giovane, senza accorgersene, trarrà così la dignità e l'onestà intellettuale necessari ad aprire gli occhi e affrontare la sua chimera. Un viaggio introspettivo senza soste nei pensieri di un apprendista-adulto che non riesce più a distinguere l'amore dall'ossessione.
