The Fury of Rachel Monette Peter Abrahams

A woman must untangle a dark enigma that dates back to World War II in order to find her kidnapped son in this riveting international thriller from Peter Abrahams, aka Spencer Quinn, author of the Chet and Bernie Mysteries

Rachel Monette arrives home to a scene of unspeakable violence: Her French-born husband, Dan, is dead—the victim of a savage stabbing—and her five-year-old son is missing. A neighbor claims she saw a rabbi taking Adam away. But there are no synagogues in Williamstown.

The only clue is a letter Rachel finds in Dan's safety deposit box. Written in 1942, it's about the reassignment of three German soldiers to a place called Camp Siegfried in the supposedly unoccupied western part of North Africa. Convinced that the murder and abduction are related to a book Dan recently completed about German-occupied countries during World War II, Rachel travels to North Africa and then on to Israel, where a mass murderer hiding in plain sight is determined to keep the horrors of the past buried forever.

John Bledsoe:

Is it you actually who having spare time then spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This The Fury of Rachel Monette can be the respond to, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

Mary Christensen:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Fury of Rachel Monette can make you truly feel more interested to read.
