The Princess Diaries, Volume IX: Princess Mia Meg Cabot

A Princess on her own . . .

Mia has been invited to speak at a gala for Domina Rei, an elite society of powerful businesswomen. But what could she possibly have to say? Michael has broken up with her, her bff Lilly won't speak to her, and her parents are forcing her to see a therapist. Even J.P.'s efforts to cheer Mia up (he's being really sweet!) aren't helping.

Just when things couldn't get worse, Mia discovers a long—forgotten diary of a teenage princess of Genovia. It could be just the inspiration Mia needs to write her speech—but what it reveals might change everything.
