Master of modern occultism, Lon Milo DuQuette, (author of *Enochian Vision Magick* and *The Magick of Aleister Crowley*) introduces the newest Weiser Books Collection – *The Magical Antiquarian Curiosity Shoppe*. Culled from material long unavailable to the general public, DuQuette curates this essential new digital library with the eye of a scholar and the insight of an initiate.

Part I – *The Repairer of Reputations*

The year is 1895, and you've just picked up a new book describing life in New York City 25 years in the future ... a future United States that is prosperous, and the Federal government has evolved into a mild military dictatorship; a future where suicide is institutionalized, and publicly funded 'Lethal Chambers' are constructed in all large cities to humanely terminate the existence of those sad and unproductive citizens for whom life has become intolerable, a future in which two very determined conspirators will risk everything to place the rightful King of America on his throne. Sound like a disturbing vision? The madness has begun. This is the book that inspired H.P. Lovecraft.
