The armies of Persia—a vast horde greater than any the world has ever known—are poised to crush Greece, an island of reason and freedom in a sea of madness and tyranny. Standing between Greece and this tidal wave of destruction are a tiny detachment of but three hundred warriors. Frank Miller's epic retelling of history's supreme moment of battlefield valor is finally collected in its intended format—each two-page spread from the original comics is presented as a single undivided page.
