Breve historia de Satanás (Spanish Edition) Gabriel Andrade

La obra hace un recorrido por la historia del diablo como personaje, desde los precursores en el Mediterráneo antiguo, hasta el heavy metal de finales del siglo XX.

Breve historia de Satanás es un recorrido por la manera en que la civilización occidental ha concebido la imagen de Satanás, así como las transformaciones que ha sufrido. Empieza con la reseña de figuras diabólicas oriundas de culturas mediterráneas (Babilonia, Egipto y Grecia), y la antigua Persia. Se detiene a estudiar la figura del diablo en la Biblia hebrea (el llamado Viejo testamento), en los textos del llamado período intertestamental (el judaísmo apocalíptico del Segundo Templo), y en el Nuevo testamento.

Gabriel Andrade elabora un breve recorrido por la evolución histórica del demonio a lo largo de los últimos veinticinco siglos. En muchas culturas ha habido demonios de todo tipo pero, para elaborar una genealogía del diablo, debemos concentrarnos en aquellas figuras demoniacas procedentes de culturas que seguramente influyeron sobre la cultura que inventó propiamente a Satanás, a saber, el antiguo Israel.

Razones para comprar la obra:

- *El tema del diablo siempre genera atención. Aparece en películas, en la publicidad, en la música. Pero, el común de la gente no sabe de dónde vienen los cuernos, el color rojo, o la barbilla. Este libro explica el origen de estos, y muchos otros detalles.*
- Este libro hace un recorrido por todos los períodos de la historia de Satanás (por lo general, los autores suelen confinarse a períodos específicos), y vincula los tiempos modernos con los tiempos antiguos.
- El libro tiene un cierto espíritu iconoclasta, pues se propone combatir falsas ideas sobre la historia del diablo que, por cierto temor a generar polémica, los historiadores convencionales no suelen hacer.
- Atiende íntegramente las ideas religiosas, representaciones artísticas, contextos políticos, escándalos musicales, crímenes bochornosos, histerias colectivas en un solo texto.

Un libro esencial si uno quiere descubrir la historia de Satanás sin sensacionalismos, si el lector quiere descubrir de un modo fiable una serie de contenidos que han sido distorsionados por la prensa sensacionalista.

From reader reviews:

Deborah Anderson:

Hey guys, do you wish to find a new book to read? Maybe the book with the title Breve historia de Satanás (Spanish Edition) suitable to you? Typically the book was written by a popular writer in this era. Typically the book titled Breve historia de Satanás (Spanish Edition) is the main one of several books that everyone will read now. This kind of book has inspired many men and women in the world. When you read this publication you will enter the new shape that you have never known before. The author explained their plan in a simple way, therefore all of us can easily be aware of the core of this reserve. This book will give you a large amount of information about this world now. So you can see the representation of the world within this book.

Bobby Griffin:

The reason? Because this Breve historia de Satanás (Spanish Edition) is an extraordinary book that the inside of the guide is waiting for you to snap this but later it will shock you with the secret this inside. Reading this book beside it was a fantastic author who else writes the book in such a wonderful way makes the content within easier to understand, an entertaining method but still conveys the meaning entirely. So, it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other books include such as help improving your proficiency and your critical thinking way. So, still want to hold off having that book? If I had been you I will go to the book store hurriedly.

Antoinette Hogg:

This Breve historia de Satanás (Spanish Edition) is a great e-book for you because the content which can be full of information for you who always deal with the world and still have to make a decision every minute. This book reveals it details accurately using great coordinate words or we can say no rambling sentences within it. So if you are reading it hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but hard core information with splendid delivering sentences. Having Breve historia de Satanás (Spanish Edition) in your hand like keeping the world in your arm, facts in it is not ridiculous. We can say that no guide that offers you the world inside ten or fifteen seconds right but this guide already does that. So, this is certainly a good reading book. Hey Mr. and Mrs. occupied do you still doubt that?

Gabrielle Oneal:

Many people spend their time period by playing outside along with friends, fun activities having family or just watching TV the whole day. You can have new activities to enjoy your whole day by reading through a book. Ugh, you think reading a book can be definitely hard because you have to bring the book everywhere? It all right you can have the e-book, getting everywhere you want in your Touch screen phone. Like Breve historia de Satanás (Spanish Edition) which is keeping the e-book version. So, why not try out this book? Let's observe.
