East Harlem Revisited (Images of America) Christopher Bell

East Harlem Revisited presents a fresh look at this historic neighborhood through rare photographic images. Photographs taken from tenement rooftops, at family gatherings, and of sports and events celebrate a bygone era and the neighborhood's diversity. A neighborhood of many ethnicities and languages, at one time a section of East Harlem made up the largest Little Italy in the country. The landmarks that have been preserved throughout the years detail the importance and impact of architectural development on East Harlem's history. Photographs of the neighborhood's tenements and public housing depict East Harlem's changing landscape, while images of famous residents celebrate the many talented individuals who have called East Harlem home.
