**Grandparents & Young Children with Autism** Susan Louise Peterson

*Grandparents & Young Children with Autism* is written with the hopes of helping grandparents understand the educational testing process of helping young children who may have autism. The book explores some similarities and differences between grandparents and grandchildren with autism. A variety of issues related to health, stress, pets, communication and illness are examined in relation to autism. Grandparents will gain information regarding testing experiences for autism and a walk through understanding a multi-team educational autism assessment. *Grandparents & Young Children with Autism* is a short, informational book to help grandparents on their journey to understand the educational eligibility and assessment process of their grandchildren who may have autism.
