Retirement Community Living: Facts, from an Elderly Viewpoint. Every passing year a growing number of our ageing population will enter the retirement ranks. As they go about making their retirement decisions these retirees will benefit by becoming increasingly informed about retirement community living. Retirees typically make decisions about their future after gaining a clearer grasp of retirement community life. Knowledge is important, and retirement community knowledge is especially important to the elderly. A sense of humor is a characteristic of these communities. Humor permeates the most dreary retirement environments. However, it can be quite difficult to poke fun at an old lady as she confronts Alzheimer's disease. Nonetheless, this book has a tongue-in-cheek perspective. The author takes a realistic and hands-on look at the retirement community scene, enabling readers to more easily appreciate what can and does happen in this retirement style.
