**Lake Boats: The Enduring Vessels of the Great Lakes** Greg McDonnell

*The romance of the great inland sea.*

This large-format, full-color pictorial pays tribute to the historic ships still at work on the Great Lakes, from ancient cement boats such as the 100-year-old *St Marys Challenger* to venerable "straight-deckers," self-unloaders and 1,000-footers sailing under the familiar flags of prominent Great Lakes fleets: Algoma Central, Upper Lakes, Lower Lakes, American Steamship, Canada Steamship Lines and others.

With more than 170 photographs by the author and other fine transportation photographers, **Lake Boats** celebrates these mariners and working ships of the St. Lawrence Seaway and Great Lakes. A thorough appendix cites exact identification, specifications and the history of each vessel included in the book.

An extraordinary range of images -- from close-up and interior views of engine rooms and pilothouses to panoramic scenes of these noble workhorse vessels sailing North America's inland seas -- makes **Lake Boats** a remarkable celebration.
