The Salinger Sisters Series spins the tales of four sisters who find love—in spite of themselves. The love—and laughs—begin in Book One, *Love on the Run*. For years, Catherine Salinger’s father competed fiercely against his former friend and nemesis in the advertising business, Miles Riley. These days, however, Cat is in charge, and taking her responsibility *very* seriously—especially now that the two companies are competing for a multi-million dollar deal with one of the fastest-growing athletic shoe companies in the world.

That’s why, when she finds out that her younger sister Daphne has run away with Riley’s youngest son, Cat vows to stop the elopement (and the potential leak of information), even if it means following the couple across the globe, and taking Jonas Riley, Miles’ overbearing, *gorgeous* oldest son!

*From the Trade Paperback edition.*
