No Way Up (The Cimarron Legacy Book #1) Mary Connealy
The Fight for the Cimarron Ranch Has Just Begun!

When Cimarron ranch patriarch Chance Boden is caught in an avalanche, only the quick actions of hired hand Heath Kincaid save him. Before leaving by train to receive treatment to save his leg--and possibly his life--Chance demands that Heath read the patriarch's will and see its conditions enforced immediately. If Chance's three bickering adult children, Justin, Sadie, and Cole, don't live and work at the home for an entire year, ownership of the ranch will pass to a despised distant relative.

Before long, however, Heath discovers that the avalanche may have been intentionally set--and that more danger lurks ominously. Finding his own future--and a desired future with Sadie--locked up in saving the Cimarron Ranch, Heath and the Boden siblings must work together against outside forces that threaten them all.
