The Millionaire's Daughter Dorothy Eden

***New York Times*–bestselling author Dorothy Eden brings Gilded Age New York and Victorian England to dazzling life in this romantic saga about an American heiress who defies society's expectations by refusing to live without love**

The daughter of one of New York City's brash new millionaires and an impoverished socialite, Christabel Spencer inherited both her father's passionate nature and her mother's beauty and breeding. An American debutante in Paris and London, Chrissie waltzed with European princes and English lords, all of whom found her combination of looks and wealth irresistible. Despite her father's dream of having an English aristocrat for a son-in-law, Chrissie is determined not to marry for social status alone. She cannot live without love—and will find it at any cost.

Featuring a cast of unforgettable characters, *The Millionaire's Daughter* is the heartwarming, surprising tale of a young woman caught in the crosscurrents of ambition and desire.
