Sam and Remi Fargo return in this astonishing new thriller from #1 *New York Times* bestselling author Clive Cussler—and embark on their most daring quest to date.

When an archeologist friend requests their help to excavate a top-secret historical site, the Fargos are intrigued. But they have no idea that their discoveries will set them on a hunt for a prize beyond all imagination.

The clues point to the hidden tomb of Attila the Hun, who was reportedly buried with a vast fortune of gold, jewels, and plunder: a bounty that has never been found.

As they follow a trail throughout Europe, it leads them not to one tomb, but five. The Fargos also find themselves pitted against a thieving group of treasure hunters, a cunning Russian businessman, and a ruthless Hungarian who claims direct descent from Attila himself—and will stop at nothing to achieve his destiny...
