Under the endless sky. A thousand days of sea, adventure, and freedom: around the world on a sailboat. Mr Carlo Auriemma, Mrs Elisabetta Eordegh

A true story that reads like a novel. A man and a woman leave a normal lifestyle of home and office, similar to that of millions of others, and set off to sail around the world on a sailboat. They uncover distant lands, forgotten archipelagos, emotions, fears, and incredible landing places. Large and small adventures, compellingly told in simple language that will captivate right up to the final page. "Under the endless sky" is the book that introduced Elisabetta Eördegh and Carlo Auriemma as sailors and writers and brought them fame amongst lovers of sailing and adventure. The book tells of a man and a woman who leave their normal existence of home and office, similar to that of millions of others, and plunge into the boundless immensity of the oceans, to see what lies beyond the horizon. They uncover distant lands, forgotten archipelagos, people that live their lives away from everything and everybody, places that are still unspoilt and uncontaminated and above all they find emotions, fears, unforeseen encounters, tempests and some dashing courageous landings. Large and small adventures which the authors relate in a compelling style and simple language that will captivate to the final page. The book is a fresh and open window on the world, passing with ease from encounters with pirates off the coast of Columbia, to immersion into the pristine domain of the animals of the Galapagos Islands, from the atmospheric serenity of fabulous South Sea Islands to the great solitude of long voyages between sky and waves. "Under the endless sky" is the story of how the sea can profoundly change the very existence and way of thinking of those who have embraced its intimacy.
