Fragments From The Delta Of Venus

Judy Chicago, Anais Nin

Fragments From The Delta Of Venus Judy Chicago, Anais Nin

As a tribute to the legacy of her mentor, Chicago shares some of her memories of their encounters in her introduction to *Fragments from the Delta of Venus*, a collection of twenty artworks pairing Chicago's sensuous watercolor images with extremely evocative phrases from Nin's famed collection of stories. The book promises to be a breakthrough in the history of erotic art, which—for centuries—has belonged almost exclusively to male artists and a male audience. *Fragments from the Delta of Venus* might be said to be a continuation of Chicago and Nin's earlier dialogue, illuminating, in both images and words, the powerful fantasies and desires of the female mind.

Fragments from the Delta of Venus will be released on Valentine's Day, 2004, perfectly timed to warm your lover's heart—and more.

Rosemarie Pickett:

In this time globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended for your requirements is Fragments From The Delta Of Venus this guide consist a lot of the information with the condition of this world now. This book was represented how can the world has grown up. The words styles that writer use to explain it is easy to understand. Typically the writer made some exploration when he makes this book. That is why this book appropriate all of you.

Muriel Carpenter:

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This Fragments From The Delta Of Venus can be the reply, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these publications have than the others?

Victoria Owen:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Fragments From The Delta Of Venus can make you sense more interested to read.
