## **Interpersonal Communication** Kory Floyd

Kory Floyd's approach to interpersonal communication stems from his research on the positive impact communication has on our health and well-being. Interpersonal Communication personalizes learning for every student no matter whom they are or where they are ensuring that they come to your class prepared with the foundations and ready to improve their interpersonal skills and choices for their academic personal and professional lives through your teaching and coaching. Kory Floyd's approach to interpersonal communication stems from his research on the positive impact of communication on our health and well-being. Interpersonal Communication 3e shows learners how effective interpersonal communication can improve their academic personal and professional lives. By highlighting the latest scholarship; incorporating coverage of social media and technology in every chapter; and focusing on learners' relational emotional and physical health Floyd helps students build their communication skills in practical real world contexts. The new edition also includes over 70% new scholarly references reorganized relationship chapters and tons of new examples to enhance the book's utility for instructors and relevance to today's learners. Interpersonal Communication is now available as a SmartBook the first and only adaptive reading experience that highlights content based on what the individual learner knows and doesn't know and provides focused help at that moment in need through targeted learning resources (including videos mini-lessons and other interactivities). SmartBook's intuitive technology optimizes learner study time by creating a personalized learning path for improved course performance.
