Journalism

Joe Sacco

Journalism Joe Sacco

A first for the world's greatest cartoon reporter, a collection of journalism, including articles on the American military in Iraq that have never been published in the United States

Over the past decade, Joe Sacco, "our moral draughtsman" (Christopher Hitchens), has increasingly turned to short-form comics journalism to report from the sidelines of wars around the world. Collected here for the first time, Sacco's darkly funny, revealing reportage confirms his standing as one of the foremost war correspondents working today.

In "The Unwanted," Sacco chronicles the detention of Saharan refugees who have washed up on the shores of Malta; "Chechen War, Chechen Women" documents the trial without end of widows in the Caucasus; and "Kushinagar" goes deep into the lives of India's untouchables, who are hanging "onto the planet by their fingernails." Other pieces take Sacco to the smuggling tunnels of Gaza; the trial of Milan Kovacevic, Bosnian warlord, in The Hague; and the darkest chapter in recent American history, Abu Ghraib. And on a mission with American troops—pieces never published in the United States—he confronts the misery and absurdity of the war in Iraq.

Among Sacco's most mature, accomplished work, *Journalism* demonstrates the power of our premier cartoonist to chronicle human experience with a force that often eludes other media.

From reader reviews:

David Simpson:

What do you with regards to book? It is not important to you? Or just adding material if you want something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need that Journalism to read.

Carla McFarlin:

Information is provisions for individuals to get better life, information currently can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever those information which is inside the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Journalism as the daily resource information.

Frances Drury:

Reading a reserve can be one of a lot of exercise that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new info. When you read a reserve you will get new information simply because book is one of a number of ways to share the information or their idea. Second, reading through a book will make anyone more imaginative. When you reading a book especially tale fantasy book the author will bring one to imagine the story how the figures do it anything. Third, it is possible to share your knowledge to other folks. When you read this Journalism, you are able to tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a guide.

Nancy Soto:
