*Photoshop 7 Artistry* is the book for serious professional photographers and digital artists who need to create expert imagery. This book will help you master the relationship between Photoshop tools and traditional photography. Photoshop Artistry is probably the most successful advanced-level Photoshop book available. It's initial appeal for photographers has been transcended; the basic principles the authors teach apply to all Photoshop users-particularly more-advanced users-and the advent of digital photography has further boosted the book's popularity. Covers creation and output of museum-quality art prints, images for high-end advertising, as well as GIFs, JPEGs, and Web Photo Galleries
