Silver in the Blood

Jessica Day George

Silver in the Blood Jessica Day George

As debutantes in 1890s New York City, cousins Dacia and Lou knew little about their mysterious Romanian relatives, the Florescus. Now, upon turning seventeen, the girls must journey to Romania--a journey that seems to be both reward and punishment--to meet their cousins and their tyrant of a grandmother and to learn the secrets of their family. Secrets spoken of in whispers. Dangerous secrets known as the Claw, the Wing, and the Smoke.

But as dangerous as those family secrets might be, even more dangerous is the centuries-old bond between the Florescus and the royal Dracula family, and it seems that it's time for Dacia and Lou to give up their life in New York society and take their place among the servants of the Draculas. When the devilish heir, Mihai Dracula, sets his sights on Dacia as part of his evil, power-hungry plan, the girls must accept or fight against this cruel inheritance. Do they have the courage to break the shackles of their upbringing and set the course of their own destiny?

From reader reviews:

Michael Brown:

What do you ponder on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby for every single other. Don't to be pressured someone or something that they don't need do that. You must know how great and also important the book Silver in the Blood. All type of book could you see on many options. You can look for the internet resources or other social media.

Oliver Watts:

The feeling that you get from Silver in the Blood may be the more deep you looking the information that hide in the words the more you get enthusiastic about reading it. It does not mean that this book is hard to be aware of but Silver in the Blood giving you excitement feeling of reading. The author conveys their point in certain way that can be understood by anyone who read it because the author of this reserve is well-known enough. This particular book also makes your own personal vocabulary increase well. Making it easy to understand then can go along, both in printed or e-book style are available. We propose you for having this Silver in the Blood instantly.

Kenton Marshall:

Reading a e-book can be one of a lot of exercise that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new info. When you read a e-book you will get new information because book is one of a number of ways to share the information or maybe their idea. Second, looking at a book will make you actually more imaginative. When you reading a book especially fictional book the author will bring you to imagine the story how the personas do it anything. Third, you may share your knowledge to others. When you read this Silver in the Blood, you are able to tells your family, friends along with soon about yours reserve. Your knowledge can inspire the others, make them reading a e-book.

Selma Lang:

Precisely why? Because this Silver in the Blood is an unordinary book that the inside of the book waiting for you to snap the item but latter it will shock you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such remarkable way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your ability and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.
