David Rothenberg

Thousand-Mile Song: Whale Music in a Sea of Sound David Rothenberg

In *Thousand Mile Song*, musician and philosopher David Rothenberg uses the enigma of whale sounds to explore whether we can truly understand nonhuman minds. Interviewing scholars around the world as they attempt to decipher underwater music, Rothenberg tells the story of scientists and artists confronting an unknown as vast as the ocean. Along the way, he plays his clarinet live with whales in their native habitats, from Russia to Hawaii, making interspecies music that appears on the included CD. Richly detailed and deeply entertaining, *Thousand Mile Song* is an imaginative look at the most intriguing creatures of the ocean.
