Joseph Marshall

Excerpt from Travels, Vol. 2: Through Holland, Flanders, Germany, Denmark, Sweden, Lapland, Russia, the Ukraine and Poland, in the Years 1768, 1769, and 1770; In Which Is Particularly Minuted, the Present State of Those Countries, Respecting Their Agriculture, Population, Manufactures

From Middleburgh I set out for Sluys, the 27th of June; part of the way, I was forced to take a sailing boat. There is nothing in that town, which is worth the shortest stay; I only dined there, and in the afternoon reached Bruges, having passed through a country pretty well cultivated. I fixed my quarters by recommendation at the Half Moon, where I found extreme good accommodation, and much civility.

Bruges is an ancient and extensive city, walled in, the circumference being near five miles.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
