The **My Cooking Class Series** takes a refreshing approach to learning the art of home cooking. The recipes are presented in complete visual sequences from start to finish, and every ingredient and every step is shown from above in full color so it's as true to life as possible -- just like a real cooking course. Written instructions accompany each recipe, and specialized tasks, such as making homemade pasta, are clearly demonstrated. Variations, notes and glossaries are welcome additions to each "class."

My Cooking Class replicates a professional cooking course and will transform how home cooks learn to prepare dishes and meals. Every ingredient, pot, pan and tool is shown, not just described, making this new visual cookbook format deliciously simple.
