A Treasury of Cartoons

First Dog on the Moon

A Treasury of Cartoons First Dog on the Moon

From the country's enormously popular and only marsupial Walkley award-winning cartoonist - a collection of his greatest hits from 2009 till now.

First Dog on the Moon, handsome and debonair correspondent for The Guardian and The Monthly, the nation's only marsupial Walkley award-winning cartoonist, the brilliant mind behind creations like the racist carrot, the ABC dancing bandicoot and Ian the Climate Denialist Potato, now gathers together all his best cartoons into one glorious, technicolour book.

Covering everything from daily political buffoonery to Eurovision, from what an Andrew Bolt network would look like to ISIS's PR department, this will showcase over 200 of Mr Onthemoon's greatest hits - the sharp, funny clever and occasionally touching drawings that have made him an international superhero.

A great gift for all the smart, funny people in your life - or just buy one to selfishly keep for yourself.
