Governess to the Sheikh (The Governess Tales) Laura Martin

In a land far, far away...

Her entire life, Rachel Talbot has dreamed of faraway lands. So when she's offered a job as governess to the Sheikh of Huria's children, it seems as if all her dreams are coming true...

But Sheikh Malik turns out to be infuriating! Yes, he's the most handsome man Rachel has ever seen, but he's also autocratic and aloof. Until, that is, a night under the starry desert sky leads to a passionate kiss... And suddenly a whole new world of possibilities opens up to this intrepid governess!
