**Kamikaze Kangaroos!: 20,000 Miles Around Australia. One Van, Two Girls... And An Idiot** Tony James Slater

Tony James Slater knew nothing about Australia. Except for the fact that he'd just arrived there. The stage is set for an outrageous adventure: three people, one van, on an epic, 20,000 mile road trip around Australia. What could possibly go wrong? Of course, the van – nicknamed 'Rusty' – is a crumbling wreck, held together by the world's most garish paint job. They're criss-crossing the continent through some of the most inhospitable land on the planet – the infamous Aussie Outback. And isn't there something about Australian animals being... well, you know, kind of dangerous? Unprepared, under-qualified and hopelessly inept, Tony battles gigantic pumpkins, mechanical mishaps and suicidal kangaroos, armed only with a thong and a sense of humour. His companions struggle to keep him safe whilst climbing in drag, snowboarding off cliffs, and hiking hundreds of miles through the bush. One thing's for sure; this 'adventure of a lifetime' – if they survive it – is something they're never going to forget. So, scull those stubbies! Grab your galahs! And put down that platypus. LOOK OUT, AUSTRALIA! There's an idiot coming...
