Nietzsche As Philosopher: Expanded Edition (Columbia Classics in Philosophy) Arthur C. Danto

Few philosophers are as widely read or as widely misunderstood as Friedrich Nietzsche. When Danto's classic study was first published in 1965, many regarded Nietzsche as a brilliant but somewhat erratic thinker. Danto, however, presented a radically different picture, arguing that Nietzsche offered a systematic and coherent philosophy that anticipated many of the questions that define contemporary philosophy. Danto's clear and insightful commentaries helped canonize Nietzsche as a philosopher and continue to illuminate subtleties in Nietzsche's work as well as his immense contributions to the philosophies of science, language, and logic.

This new edition, which includes five additional essays, not only further enhances our understanding of Nietzsche's philosophy; it responds to the misunderstandings that continue to muddy his intellectual reputation. Even today, Nietzsche is seen as everything from a precursor of feminism and deconstruction to a prophetic writer and spokesperson for disgruntled teenage boys. As Danto points out in his preface, Nietzsche's writings have purportedly inspired recent acts of violence and school shootings. Danto counters these misreadings by elaborating an anti-Nietzschian philosophy from within Nietzsche's own philosophy "in the hope of disarming the rabid Nietzsche and neutralizing the vivid frightening images that have inspired sociopaths for over a century."

The essays also consider specific works by Nietzsche, including *Human, All Too Human* and *The Genealogy of Morals*, as well as the philosopher's artistic metaphysics and semantical nihilism.

Catherine Almond:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for

yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Nietzsche As Philosopher: Expanded Edition (Columbia Classics in Philosophy) can make you experience more interested to read.
